Dear Parent/Carers

All out of hours learning is recorded on Go 4 Schools; to log on to this your child needs to know there:

- School e-mail address
- School e-mail address password

They will also need to have set up an account on GO4SCH, procedure attached. If you child has any problems with their e-mail address, password or GO4SCH they should speak to their Form Tutor in the first instance.

Parents can also sign up to GO4SCH, which allows you to check on your child's attendance, time table and progress.

Please e-mail: [admin@westfield.academy](mailto:admin@westfield.academy) if you need support with this.

Kind Regards

Mrs J O'Connor

Associate Headteacher
