

## Home School Agreement

At Westfield Academy we believe that a strong Home-School partnership is an important part of what makes this a Good school. Our Home-School partnership is important to us for very good reasons. We have a vital role to play in the lives of all our students by helping them access the highest quality education.

Each individual child contributes to the success of Westfield Academy by way of their attitude and achievements. However, parents and carers have a powerful effect upon children's attitudes and achievement.

Our partnership is of paramount importance and the Home-School agreement is a reflection of our trust in each other and the ability of the School, parents/carers and students to work together.

It outlines the rights and responsibilities we all have towards each other. We ask that you and your child will read this agreement with care because it outlines the many ways in which we can all support each other and will ensure that your child will be able to access the very best education and foundations for building a successful future.
