

HALF TERM 5 CURRICULUM CONTENT – Key Stage 4

Intent statement:

Students are expected to tackle more complex and demanding physical activities. They will get involved in a range of activities that develop personal fitness and promote an active, healthy lifestyle. Students are given the chance to study academic qualifications in Sport through the BTEC Tech Award, which covers three units aimed at further developing the students' understanding.

Topics	Year 10 (Component 2) – Officials in Sport & rules and regulations in sports	Year 11 (Component 3) – Revision for exam
Prior knowledge / skills	Knowledge gained, particularly in KS3 sport education lessons, with a basic understanding of rules and regulations in different sports and activities	Knowledge of all Component 3 areas for application in the exam & different revision techniques
Key concepts / knowledge / skills covered this half term	Learners will know the roles of different officials for a selected sport and understand the key responsibilities associated with each of these roles, as well as the key rules and regulations of a selected sport	Working through past papers and preparing for the exam
Assessment	The assessment will take place on week 6 and the topics above will be covered. Students need to revise in lessons and at home in advance.	
Personal Development opportunities	Attend extra-curricular activities & intervention sessions for students retaking PSA's	
Homework requirements	Homework will be set on Google Classroom every lesson and will take 60 minutes to complete.
