

Westfield Academy - Curriculum Information

Students will learn both human and physical aspects of Geography. Year 11 will look at two topics and then focus on revision ready for their GCSE exams.

Geography

Head of Department	Mrs E Westlake	
Head of Department email	ewe@westfield.academy	
Lessons per 2 week cycle	5	
Specification/Board details/Key stage	Edexcel B	

Term by term

Autumn 1	Autumn 2	Spring 1
Consuming energy resources -Understand how the growing demand for energy can be met without serious environmental consequences	Forest under threat -What are the threats to forest biomes and how can they be reduced	Forest under threat/revision start -What are the threats to forest biomes and how can they be reduced
Spring 2	Summer 1	Summer 2
Paper 1 revision -Development dynamics, hazardous earth, urbanising world	Paper 2 revision -People and the biosphere, forest under threat, consuming energy resources	Revision
Key Skills developed	Graph interpretation, maths skills, world map interpretation, food webs	
Useful Websites	BBC bitesize News channels PMT Seneca learning	
Reading/Literacy requirements /Key Words	Key words will be taught in lesson which pupils will be expected to learn and know for the classroom. Pupils will look at command words both in lesson and for homework which is what the question is asking	
Homework requirements	Homework will be set every few lessons. Pupils are	

	expected to complete all set homework to a good standard and always give 100% effort.
Personal Development Links	Pupils will examine their own life and how it is contributing to the uneven distribution of energy resources. Pupils will look at different biomes and understand how they are having indirect impacts on the Taiga biome (and direct impacts). Pupils will experience the knowledge through lesson content, youtube videos and news articles.
Trips/Visits (If applicable)	N/A
