

Dear Parent/Carer,

I am writing to inform you of a trip being organised for Level 3 Health and Social Care students to see 'The Doctor' in theatre. This will be a matinee performance on Wednesday 7th December at 2pm at the Duke of York Theatre.

We will be leaving Westfield Academy at 11am to walk to the Watford Metropolitan Station and aim to return to Watford Metropolitan station for 6pm. Students can have the option to leave after the theatre and make their own way home. Or they can leave straight from the station, so please confirm on the reply slip below how you would like your child to travel home from the station.

The cost of the theatre performance is £25. A ParentMail payment has been set up for this. Please can you pay this by Wednesday 9th November 2022. Any concerns with meeting this short deadline, please can you let me know. My email is scl@westfield.academy. Students will be expected to purchase their own train ticket at the station; this can be via bank card, Oyster card or purchased at the ticket machine.

There will be an opportunity for students to purchase some lunch before the show, however this is not a requirement. Students may bring a packed lunch with them and there will be a place for them to eat this.

I really hope your child can be there, it is an insightful production that links well with the content that students learn on the Level 3 Health and Social Care course.

Yours faithfully,

Ms S Berko  
Teacher of Social Sciences
