SIXTH FORM BULLETIN

Sixth Form Open Evening

Although it may feel as though we have only just started this academic year, we are already preparing for the next Sixth Form intake in September 2023. Last week, we welcomed our year 11 students and their parents, along with a number of students from other schools to our open evening. Staff and current students were on hand to showcase their subjects. Bianca and Zaynab did a great job speaking to a large audience in the hall about their experiences of Sixth Form so far.

NHS Careers Day

On 20th October we took all of our year 12 students and a number of year 13 students to a careers event run by the NHS. The event took place at Watford Football club who were great hosts, providing a lovely venue and lunch for us all. The students had the opportunity to visit stands and learn about the huge range of careers available within the NHS. These included nursing, midwifery, radiography, IT, HR, site management and many more. As well as learning about careers, students were able to practice interview techniques, complete CVs and try out procedures such as CPR. Student feedback on the event was positive.

Year 13 Revision Sessions

Year 13 students are welcome to revise in the study centre on Tuesday, Wednesday and Thursday evenings from 3:00pm to 5:00pm. These sessions really helped last year's year 13 students.

Mock exams

The mock exam period for year 13 starts on Monday 28th November and ends on Wednesday 14th December. Students should be busy revising in preparation.

'Good luck from all of us'

UCAS Applications

Year 13 students applying to university should currently be working on their personal statements.

Ms Rafter's journey

This month, Head of Science, Ms Rafter, spoke to our year 13 students about her journey from university into teaching. She had her audience captivated throughout.
