# SIXTH FORM BULLETIN

WESTFIELD  
ACADEMY

believe | strive | achieve

We hope that you enjoyed the Christmas break and that you have all returned refreshed and ready for the next term.

**We will now be including year 11 students and parents in our bulletins so that you can see what our Sixth Form are doing and what you have to look forward to. Welcome year 11.**

The deadline for UCAS applications was 25th January. 75 of our students applied, 15 have received all 5 decisions, 45 have received some decisions and 15 are still awaiting decisions.

Students have applied for a wide range of courses from Sport to Law. We wish them all well with making their final decisions.

## National Apprenticeship Week

For those wishing to follow the apprenticeship route, National Apprenticeship week takes place from **6th to 12th February**. Follow the link below to read more about the different types of apprenticeships and the opportunities available to apply for.

All of our year 11, 12 and some year 13 students also attended an apprenticeship assembly led by an external company this week.

## RE trip

Mr McNally and Mrs Beels took a group of 14 year 12 and 13 RE students to The University of Hertfordshire to listen to three university style lectures. This gave them an opportunity to visit a large local university, see what student life was like and experience the type of learning university offers.

## Parents Evening

It was lovely to welcome so many students and parents on parents evening. We hope that you were pleased with your mock results and will take on board the advice given by your teachers. For those in year 13, you now know what you need to do to prepare for your summer exams and for year 12, you must make sure that you are working hard in preparation for year 13.

## Charity work

Bianca, Zaynab and Mustaqim from year 12 recently arranged a collection of good quality children's toys and books which they then donated to Mencap. The staff there were very grateful for the donations which will be put to good use. Thank you to all who gave so generously.

## Football News

Our senior Football team played Immanuel College last week. Although they did not win the match, they put in a great effort against a team that are currently top of the league.
