

February 2023

SIXTH FORM BULLETIN

Welcome to the February edition of our Sixth Form bulletin. We hope that the year 11 students and parents enjoyed reading the January bulletin. We will continue to send you these throughout the rest of the academic year and will include any relevant information about the transition from year 11 into 12. If you have any Sixth Form related questions, do get in touch by calling Mrs Beels in the Sixth Form office or via email at db@westfield.academy

During half term, you may have been surprised to switch on your TV and see Mr Allen, our Head of Year 12 as a contestant on the popular ITV quiz show 'The Chase'. He was part of a very successful team winning £17,000 between them. Mr Allen even got a special mention from the chaser in the final chase, complimenting his knowledge and contribution to the win.

Creative Media Society

Haidar Shazad, our year 12 Creative Media Society student lead, recently arranged a trip to Cineworld in Watford to see 'Cocaine Bear' which was based on a true story. The students enjoyed the film and will have lots to discuss in their next meeting.

Business Enterprise Day

Lots of our Sixth Form students were involved in the running of the Business Enterprise Day. A substantial amount of money was raised for the earthquake appeal as a result of all the hard work on the day. It was a lovely event bringing students together from all year groups which created a real community feel to the day. We were also treated to some beautiful singing from Debora in year 13.

Attention , year 11.....

If you have applied to join us for Sixth Form, we will be contacting you soon to arrange a short interview. We will discuss your mock results and options and advise you on the courses you have applied for. It will also be an opportunity for you to ask any questions you may have.

Year 13 mock exams

Our year 13 A level students will be sitting another set of mock exams starting on 13/3/23. This is in preparation for the external summer exams which are fast approaching. The study area is open from 3pm to 5pm daily for quiet revision. Some year 11 students selected by their year head are also using this area for after school revision.
