SIXTH FORM BULLETIN

Countdown to exams

We are now less than 3 weeks away from the first exams. Students are working really hard to prepare for these and it has been lovely to see year 11 students joining us in the Sixth Form area with Ms Russell to do after school revision.

We wish all of year 11 and year 13 students all the best for their exams and look forward to celebrating your successes with you on results days.

Last week we invited Hertfordshire Police in to talk to year 12 students during their PSHE lesson about careers in the Police Force. The students learnt about the wide range of careers from Admin to Firearms and were told about the different routes into these careers.

Easter Revision

During the Easter holidays there were a number of revision sessions for year 11 and year 13. Some of these were delivered by our staff but we also used Justin Craig for some subjects.

Well done to all the students who attended

Good luck in your exams

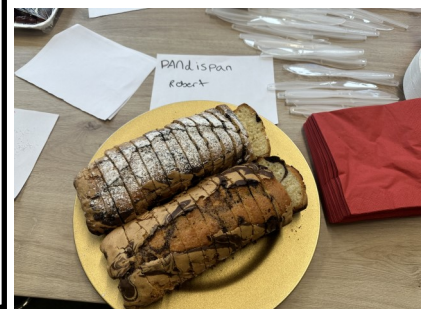

Societies

On the last day of term our student society leads met with Ms Awulira to talk about their ideas for future events. The students were enthusiastic and had lots of ideas to bring to the table.

Cultural Day

On Friday, we had a day to celebrate our different cultures across the school. Year 13 came together to share food and show off their traditional dress. The table was overflowing with beautiful dishes both sweet and savoury with many dishes cooked by the students themselves. It was lovely to see the students in traditional dress and listen to them sharing stories from their different cultures.

Remember we have an additional bank holiday on Monday 8th May to celebrate our King's Coronation.
