# SIXTH FORM BULLETIN

WESTFIELD  
ACADEMY

believe | strive | achieve

However you are spending the summer, we hope that you enjoy your time and that you are able to relax and return refreshed and ready for a busy start to the next academic year in September.

## Year 11 into 12 Taster Week

Whilst the year 12 students were busy with their UCAS exams, we invited year 11 in to try some A level and BTEC lessons and meet some current Sixth Form students. Our society lead students spent time talking with them about the societies we started this year. We hope that the new students will enjoy being part of one of the societies next year.

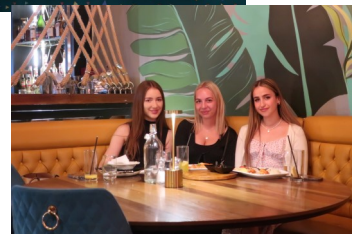

## UCAS EXAMS

Our year 12 students worked so hard in preparing for their UCAS exams and their conduct during the exams was exemplary.

It was lovely to see so many happy students opening their results envelopes yesterday. Well done year 12.

## Goodbye year 13

Year 13 students enjoyed a farewell meal at a restaurant in Watford and then a leavers lunch the following day in the Sixth Form area. It was lovely to see them all enjoying themselves after working so hard.

## Key Dates

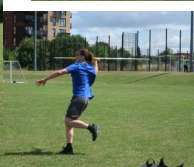

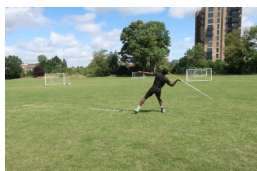

**Tuesday 5th September— year 12 start**

**Wednesday 6th September— year 13 start**

## Sports Day

A huge thank you to Huma and Kyra for arranging a fun sports day for year 12.

Everyone seemed to enjoy the day, competing for their form groups.

## Careers event

Mrs Watt, our careers lead, organised a careers fair for our year 12 students on 3rd July. There were various stands for the students to visit, covering a range of careers. The students asked relevant questions and hopefully gained lots of information.
