SIXTH FORM BULLETIN

It has been so nice to see so many of our year 11 students join us for Sixth Form and to welcome so many students from other schools. Year 13 have returned with determination and drive to achieve to the very best of their ability in their final year with us.

The students have settled well and seem ready for the year ahead.

Mrs Porter, Mrs Beels and Ms Awulira attended an awards evening at The Watford Palace Theatre to accept an award in recognition of our contribution to the NHS education programme. It was lovely to witness so many NHS staff being rewarded for their outstanding work within the trust.

Our new year 12 students had a warm welcome from the army on their first day of Sixth form.

They had a morning of team building activities to help them reunite and settle after a long summer break.

Year 13 Leavers Photo

On Thursday 19th October, we will have a photographer coming in to take photos of all year 13 students. They will have an individual portrait and a group photo taken. Please remember to adhere to the dress code and look your best.

Last week, Alison Moore from Hertfordshire University came in to help our year 13 students with their personal statements for their UCAS applications.

The students benefited from the 1:1 support they received

Warhammer club

Geoffrey and Arjun in year 12 have started a Warhammer club after school for Sixth Form students and some younger students. It all looks very complicated but everyone seems to be enjoying the battles.

Football News

We have welcomed lots of new students from other schools to our Football Academy. There have been lots of wins for the teams and the boys have gelled really well in this first half term. They are taking their studies as seriously as their football which is pleasing.

Last week, a representative from Middlesex University came in to speak to year 13 students about student finance.
