1. Introduction

Regular attendance in school is essential in helping pupils' reach their full potential. At Westfield Academy, we believe that regular attendance to school is the most important factor in developing successful pupils who, when they leave us, are ready to make a positive contribution to the community.

2. Aims of the policy

At Westfield Academy, we believe that our Attendance & Punctuality Policy promotes our core values and ensures that regular attendance is encouraged. This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

- Improve attendance to school;
- Improve punctuality to school;
- Improve the monitoring of pupils' attendance and punctuality; and
- Improve the outcomes of individual pupils by ensuring that they attend school regularly.

Class teachers and form tutors

Class teachers and form tutors are responsible for recording attendance for both morning and afternoon sessions on a daily basis, using the correct codes (see Appendix 1), and submitting this information to the school office on the same day.

School office staff

School office staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system
- Transfer calls from parents/carers to the head of year where appropriate, in order to provide them with more detailed support on attendance

Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every day on time
- Call the school to report their child's absence before 8:35 am on the day of the absence and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Keep to any attendance contracts that they make with the school and/or local authority
- Seek support, where necessary, for maintaining good attendance, by contacting the Attendance Officer, who can be contacted via PMA@westfield.academy.

Pupils

Pupils are expected to:

- Attend school every day, on time
- Attend every timetabled lesson, on time

4. Recording Attendance

Attendance register

We will keep an electronic attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 8:35am and ends at 3:05pm.

Pupils must arrive in school by 8:30am on each school day

The register for the first session will be taken at 8:35am and will be kept open until 9:00 am. The register for the second session will be taken at 2:05pm and will be kept open until 2:35 pm.

Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 8:35 am or as soon as practically possible, by calling the school office staff, who can be contacted via attendance@westfield.academy or 01923 651025.

Parents of absent pupils who have not notified the school of absence when the morning registers close will receive an SMS text message informing them of their child's absence.

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days, or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment. These requests of leave should be emailed to attendance@westfield.academy.

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 6 to find out which term-time absences the school can authorise.

Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

Pupils are expected to be in school by 8.30am and to register at 8.35am.

- In Years 7-11, students who arrive after 8.35 am receive a 30 minute after school detention on the following school day, unless their parents have contacted the school office with a good reason for late arrival.
- In Years 12-13 all lateness is managed by the Head of Year and will be sanctioned accordingly.
- Pupils who arrive after 9:00 am will be met by a Senior Member of staff and parents will be contacted to identify the reason for lateness. If there is not a valid reason, this becomes an unauthorised absence and the pupil will not be allowed to attend their class until the end of the period to avoid disrupting the class.
- Persistent latecomers have letters sent home and are discussed with the Head of Year with regard to further action, which may include being placed on attendance and punctuality report or having a personal punctuality improvement plan created.

Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may undertake a home visit or contact the police to report the pupil missing.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer
- Where relevant, report the unexplained absence to the pupil's youth offending team officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with:
 - issue a notice to improve,
 - penalty notice
 - or other legal intervention (see section below)

Reporting to parents

The school will regularly inform parents (see definition of 'parent', as used in this policy, in section 3 above) about their child's attendance and absence levels via termly written reports.

5. Unacceptable attendance

The Heads of Year / Attendance Officer review the attendance of all pupils weekly. If the attendance of a pupil falls below 95%, the reasons for the absence are investigated. If the attendance falls below 90%, the Head of Year / Attendance Officer will follow the staged approach outlined below.

Stage	Description	Actions
1	Drops under 90%. Heads of Year/Attendance Officer meet with the member of the Senior Leadership Team who is their line manager to discuss reasons for absence. If there are no extenuating circumstances, move to actions.	Letter 1 sent. Meeting with parents arranged.
2	Reviewed 2 weeks later. If attendance has not improved, move to actions.	Letter 2 sent. Meeting arranged with parents with a request for any documentation to support absences.
3	Reviewed 2 weeks later. If attendance has not improved, move to actions.	Letter 3 sent – risk of Fixed Penalty Notice.
4	Reviewed 2 weeks later. If attendance has not improved, move to actions.	If 15 sessions have been recorded as unauthorised in the current and previous term, Fixed Penalty Notice can be issued. If not, a meeting with parents is arranged.
5	Reviewed the following week. If attendance has not improved, move to actions.	Referral made to Attendance Improvement Officer at the Local Authority.

6. Authorised and unauthorised attendance

Approval for term time absence

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 2 before the absence, and should be emailed to attendance@westfield.academy. The headteacher may require evidence to support any request for leave of absence. If a pupil is over compulsory school age (e.g. sixth form), leave can be requested or agreed by the pupil or a parent they normally live with.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see section 4 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong (s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The headteacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so, and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil

- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, are not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

In these cases, the parent must pay £60 within 21 days, or £120.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

7. Attendance Monitoring

Monitoring Attendance

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE on request.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns
- Identify attendance patterns across the trust to identify common issues and barriers and share effective practice between schools

Using data to improve attendance

The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section "reducing persistent and severe absence" below)
- Provide regular attendance reports to form tutors, to facilitate discussions with pupils and families, and to the governing board and school leaders (including special educational needs coordinators, designated safeguarding leads and pupil premium leads)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 6, above)

8. Elective Home Education

At Westfield Academy, we believe that the best place for your child to receive an education is at an Education provider such as a school. A parent can decide that they want to Home Educate their child.

Before a parent makes the decision to home educate their child they should consider:

- The advantages of both home and mainstream education
- The costs involved – parents will be responsible for all costs
- The social aspects of children’s development - children need to be involved in social activities and with other children
- Home education should not be a solution to problems with children not wanting to attend school. School staff and Education Attendance Officers are able to help with these problems

If a parent or carer does want to home educate their child they must contact the attendance team at attendance@westfield.academy. In order for parents to make an informed decision about their child’s education, the attendance team will send parents information about the advantages and disadvantages of home education and information from Hertfordshire County Council about parent’s responsibilities if they do decide to home educate. If a parent still wants to home educate their child, they must write a letter addressed to the Headteacher stating their reasons for wanting to home educate their Child. The parents may then be called in to meet with the Headteacher to discuss their decision.

9. Monitoring arrangements

This policy will be reviewed every 2 years by the Senior Leadership Team. At every review, the policy will be shared with the Trust Board.

10. Links with other policies

This policy is linked to our Child Protection and Safeguarding Policy, and our Behaviour Policy.

11. Legislation and guidance

This policy is based on the Department for Education’s (DfE’s) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility](#)

[measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
